NEWSLETTER NO 10 OF 2011

## THE MEN'S SHED MINI MESSENGER

NO 1

SUNDAY 7 AUGUST 2011

PATRON: COUNCILLOR NIC CARMODY, MAYOR OF YASS VALLEY

This is a "mini Messenger" because I don't have quite enough news to warrant a full blown exercise at this stage – but there are two important bits of news we think you should know.

### Car Boot Sale and Open Day – Saturday 17 September.

It will be the fourth anniversary of the official opening of the Yass Valley Men's Shed in September and it has become a bit of a tradition to have a car boot sale and open day to celebrate. This year will be no different.

I urge you to start cleaning out your sheds and other places in which you might have "stuff" you would like to move on. Remember how terrible it is when you run your own garage sale and people start showing up before you are out of bed and, worse, they nose around in your garden and look over your fences etc. We will avoid all of this and provide a good day out as well.

We will have the Lions Club Sausage Sizzle – more than likely a raffle and (this is where you come in) hopefully a lot of good car boots or trailers full of stuff to sell.. We will charge a modest \$10 for the site you use and all the profits are yours.

We have invited the Yass Scouts to also run their car boot sale on the same day at the Shed too, so we should attract a wider selling group and also a larger group of their friends and relatives to buy our stuff.

If you intend to take this opportunity, can you let me know and I will reserve you a place for your car and/or trailer.

Stand by for more info as we work things out.

### Working bee at the Yass Valley Community Centre (YVCC) – this Thursday

We will be having a working bee at the YVCC (next door to the Shed) this coming Thursday (11 August) to start the internal painting and improvements to the building that we have undertaken to do to get the place ready for its opening (date to be announced).

This Thursday's job will be to prepare and paint the walls of the main meeting room (the former restaurant). We will have the paint, brushes and rollers etc. If you can come please let me know, and if you have a drop sheet or two can you bring that too.

We will start at about 1pm and work for a couple of hours after which we will have some kind of afternoon tea to refresh and reward you for your efforts.

Come along and have some fun – the last working bee we had was just amazing!!!
