NEWSLETTER NO 14 OF 2011

## THE MEN'S SHED MINI MESSENGER

NO 4

MONDAY 5 SEPTEMBER 2011

PATRON: COUNCILLOR NIC CARMODY, MAYOR OF YASS VALLEY

### Important events this coming week

- **Visit by the Yass Friendship Group at 10am on Wednesday 7 September** – come along and try to have as much of a good time as the Friendship Group does!
  
- **Committee Meeting – Thursday 8 September, 5.30** –all members welcome – BBQ afterwards this is an important meeting and will discuss the Car Boot Sale arrangements; the next Men's Health night(s) program and plans; progress with the Yass Valley Community Centre; Progress (and success) with our grants applications program and much more. Even if you don't like meetings, surely you could come for the BBQ (if so, let me know for catering purposes!!)
  
- **Working bee at the Yass Valley Community Centre (YVCC)** – commitment has fallen off a bit with no volunteers showing up last Thursday. We still have some way to go – so your continued support would be good (and much appreciated). Alex Tewes and his Photography group showed up on Saturday and started the painting of the walls in the old food store room, which will be used by the Photography Group as a studio.

### Car Boot Sale and Open Day – Saturday 17 September.

Don't forget to book your place for the Car Boot/trailer Sale on Saturday 17 September. The Yass Scouts will be sharing the venue on the day – so lots more variety and opportunity. We already have a good early number of bookings – but we need more!!

We will have the Lions Club Sausage Sizzle – more than likely a raffle and hopefully a lot of good car boots or trailers full of stuff to sell – and to buy! We will charge a modest \$10 for the site you use and all the profits are yours.

**If you intend to take this opportunity, can you let me know and I will reserve you a place for your car and/or trailer.**

Email me or phone (0419 292 022).

## Other news

- Roger Holgate, John Woodin and Reg Moebus took a trip to Canberra for the annual Timber and Woodworking Show last Friday and did an amazing deal on acquiring a new and improved band saw for the Shed. It will be installed today, I think. A number of other smaller items were also obtained to improve the efficacy of the wood lathes.

Watch this space for info on:

- Organising a car or cars to go to the An upcoming Bowls Day organised by the Boorowa Men's Shed – date to be notified later.
- The next Men's Health extravaganza which will be held in the new YVCC (late November) and which promises to be bigger and better than ever. Will be discussed at the Committee meeting this Thursday.
